Resident Threatens Lives, Points Shotgun in Street

While most people were celebrating the advent of the New Year's arrival, one was not. A man apparently angry at the world and all who lived in it threatened the human lives of many here in Antioch. George Boyd, Sr., went berserk with a shotgun in his hands and ran down the main streets of Antioch at close to 3 a.m., Jan. 1.

Boyd, shirtless, and apparently under the influence of alcohol, held a shotgun tightly in his grasp and ran up and down Main street, violently cursing and shrieking that he would "shoot anyone coming near him."

After continued threats against several persons attempting to pacify Boyd, he hastily retreated to his apartment at 900 Main street and opened a window. He then proceeded to stick the shotgun out of the window and point it at those in the streets, still cursing and swearing he would kill the first person coming close to the window.

Antioch's Police Telephone Operator called both Police Chief Walter Scott and the Sheriff's squad. Boyd threatened Scott when he arrived. The Sheriff's car showed up shortly after the Antioch Police Chief's and all officers prepared to approach the crazed man.

Before the officers went into the apartment building, George Boyd, Jr., arrived and motioned the officers away. He attempted to pacify his father over a period of minutes but failed to do so.

"He came shooting across the street out of the apartment building," stated Scott, "and then motioned us in."

The officers ascended the stairs and talked to the man for over 45 minutes from a safe distance. Finally, he was relieved of the shotgun and put in handcuffs.

Judge Rudy Eckert issued the ar-

rest warrant for disorderly conduct and disturbing the peace and Chief Scott signed it.

Lake Villa Motel Sold in Court

The half-finished motel and adjoining property located on Rte. 21, north of Grand Avenue, formerly owned by Mrs. Beth Scofield, was sold by the master-in-chancery in Waukegan's Circuit Court last Friday, Dec. 29. The property is part of the former G. Williams Reynolds Estate.

The property was acquired by Mrs. Scofield, a former Chicago businesswoman, in 1937 in order that a resort-motel be erected.

A committee formed under the American-Marietta Corp. are the creditors of the project. The foreclosure by a civil suit satisfied an amount of \$235,000.

Mrs. Scofield had planned to name the project "Villa Carib." Only portions of the building, the walls and semi-enclosures, were completed.

The portion of the old 1920's Casa Loma estates containing the building was recently rezoned by the Lake Villa Board, giving John Valvanis of Lake Villa permission to convert it into a resort.

Prowler Scares Child, Flees Into the Night

A prowler was discovered on the grounds of the Kelly residence at Channel Lake on the night of Tuesday, Jan. 2.

The prowler peered into the Kelly home, frightening one of the youngsters, an 11-year-old child, and then fled.

No one has determined what the prowler had been seeking on the premises.

Vandals Destroy Auto

The County Sheriff's Office reported that a recent model convertible car owned by Gerald Wolf of Niles was ransacked and the top of the car slashed by vandals a little after midnight on New Year's Jan. 1.

The auto, which suffered considerable loss due to the excessive damage, was parked at Lake Catherine on Jeannette Road.

Burglars Fail to Find School Loot

The new school in Millburn located on Millburn road was recently broken into but since the school is still not completed and few articles of value housed there, nothing was taken.

Upon further investigation, the sheriff's office found that the school janitor's closet had also been broken into but nothing had been stolen.

The break-in occurred Saturday night, Dec. 30.

Carpentier Takes Driver's License

Secretary of State Charles F. Carpentier recently announced that Harold R. Williams of Fox Lake Hills Subdivision had his driver's license suspended after having committed three violations.

The announcement was made through the Drivers License Division of Carpentier's office.

Ex. Secretary John Horan Speaks Openly for Chamber

In a recent interview, John L. Horan, Executive Secretary of the Chamber of Commerce, had some very pointed and definite things to say concerning the Chamber and its activities.

He stated that the past year had been fair for the Antioch Chamber of Commerce and still not as good as could be expected for a community like Antioch, with a population of over 2300 and the outlying area of 8000.

"Although this does not create a problem," Horan stated, "but still many of the people outside the village limits ask the question daily, 'Just what does the Chamber of Commerce do?' and the answer is simple. Not very much in the eyes of the public."

Horan went on to explain that at the beginning of 1961, the Chamber reorganized and began planning for the oncoming year. However, it was explained, that the new membership drive failed to meet expectations. There was a very small number signing up, compared to the 1960 business, professional and trades persons living within the limits of Antioch and doing business in the area.

A list was submitted indicating that the present Chamber membership encompasses 31 retail members, 6 manufacturing, 5 service, 1 amusement, 3 real estate, 3 financial and 3 resort members.

Horan also stated that the Maxwell Street Days project held early last year was a moderate success due to the good weather and scattered cooperation on the part of some local merchants.

It was also explained that the Maxwell Street Days project cleared \$89.73 for the Chamber to work with, bringing the total balance to \$474.73. The total cost of the Christmas holidays promotion, however, ran to \$571.56, leaving the Chamber's account in the red for \$96.83.

Driver Hits Car and Runs

A side-swiping accident occurred early in the morning on Saturday, Dec. 30, when Robert L. Piffner, 16, of Channel Lake was struck by an unidentified car.

Piffner stated that he was proceeding north on Route 59 when an unidentified car coming from the south, sideswiped his auto, but instead of stopping, continued on down the road.

Minor damages to the car were estimated and Piffner sustained no injuries.

Curfew Strongly Enforced, Sheriff Makes Five Arrests

Chief Deputy Charles E. Larson of the Lake County Sheriff's office recently announced that the first arrests of the county's new curfew law were made last week.

Larson reported that four 16-year old boys and a 15-year old girl were picked up outside of Lake Villa in a tavern.

The County Board of Supervisors passed the new curfew into law, December 18, of last year. The law sets the curfew at 10:30 p.m. on Sunday through Thursday and 11:30 on Friday and Saturday. All persons coming under the jurisdiction of this law are those under the age of 18 and not accompanied by a parent, guardian or other "proper person."

The curfew ends at 6 a.m. daily.

Orville Clavey, chief sheriff's juvenile officer, stated that after a

Village Incorporates Industrial Locations

Tires are Stolen By Local Thieves

Antioch's Chief of Police Walter Scott reported that the Pontiac Garage, Eltman Motors on Main street, suffered the loss of several tires, wheels and hub caps during the night of December 28.

Scott stated that no jack had been used by the thieves to remove the tires.

This theft is another in a string of petty larcenies plaguing Antioch in recent months.

Water Tower Project Plans Are Pushed by Cunningham

The Antioch Village Board met last Tuesday night, Jan. 2, and discussed the proposed water tower project along with general business matters.

Convening at 7:30 the meeting found all members present with the exception of Trustee Ernest Glenn.

The Sigurd Nielsen property at North and Anita Avenues is the property approved for an optional purchase by the Board at a previous

special meeting. The water tower will hold 300,000 gallons of water and is part of the \$650,000 sewer and water improvement slated for Antioch.

Engineer Dave Miller stated that blueprints of the water tower were almost completed but would take another week and a half to two weeks before being finished. Miller also stated that he estimated 3000 pounds of soundings of bearing capacity would probably be necessary per square foot at the base of the tower.

President Cunningham pushed for immediate action on the project saying that "bids on the water tower should be placed in the month of January."

A state priority certification has been given the Village of Antioch through the authorization of C. W. Klassen, chief Sanitary Engineer of the State Sanitary Water Board in Springfield. The authorization came in the form of a letter to the Board and also stated that the project must have financial assurance by Jan. 15 and contracts must be signed and the property must be under construction by June 30 of this year.

The financial burden required has already been satisfied by the sale of \$350,000 in general obligation bonds.

The water tank, when construction is completed, will be three times the size of the present water tower located on Broadway street.

Attorney Edward Jacobs then proceeded to present a petition for annexation of another 50 acres of the Sequoit industrial acreage to the Board. Jacobs explained the area's location as two quarter sections east of the present industrial area and detailed its condition of not being within the corporate limits of the village.

After slight meditation, the Board approved the petition and annexed the industrial area into the corporation of the Village. The entire industrial site nearby now houses several light industries and manufacturing centers.

The H. & T. Company (Active Specialty) then asked, through the form of a letter, for industrial acreage for the development of a new building. The company requested a deed similar to the one which they formerly turned back to the Board for village improvement use. The original deed allowed the company 2 acres of land. The board authorized the drawing up of a deed for 2 acres at a cost of \$500 per acre to help defray sewer and road expense.

Police Commissioner Ray Toft then suggested that the Antioch Village curfew be changed to the same restrictions of the new county curfew which would raise the age limit to all persons under the age of 18. The village age bracket for curfew is presently fixed at 16. The time, however, would remain the same.

Toft went on to say that he felt exceedingly alarmed over the increased amount of the thefts occurring in the community recently. He reported that 9 thefts had occurred in the last month, along with 155 parking tickets issued for the month, 6 moving traffic violations and 10 accidents.

The Board plans to look into the curfew matter through its police committee.

The group adjourned at 10:15.

2 People Hurt In Car Crash

Frank Bott, 31, of Mundelein and a companion were injured considerably when their car went off the highway, Saturday night, Dec. 30.

Bott stated that he was driving too fast as he proceeded south on Route 21 and lost control of the car. The car, traveling at a high speed, went into the ditch nearby and turned over on its top. Skid marks indicated the car had skidded over 300 feet before hitting the ditch. Over 75 feet of fence was torn down as the car crashed against it.

The Antioch Rescue Squad was called and the two motorists were taken to the Antioch Clinic for treatment.

The Sheriff's office approximated the site of the accident two blocks north of Petite Lake Road on Rte. 21.

Decorated Homes Given Awards

The Moose-sponsored annual city and township home decorating contest was held Dec. 27 through the WOTM's Civic Affairs Committee.

First, second and third prizes awarded were brass door-knockers. John's River Inn won first place for a Nativity scene on the roof of its establishment.

Richard Irmann of Lake Avenue, Channel Lake, won second place for his yard reclamation.

Third place honors went to Richard Burnette for what has been described as a uniquely lighted door.

The judges of the contest were Mrs. Arthur Meyer, Harold Cardiff and Robert Rockwood.

Charles E. Larson States Sheriff's Post Candidacy

Chief Deputy Sheriff Charles E. Larson today formally announced his candidacy for Sheriff on the Republican slate in the April, 1962 primary elections.

Larson, a veteran of 16 years with the Lake County law enforcement agency, received the endorsement and congratulations of Sheriff Norris C. Froelich concurrent with his statement to the press.

A life-long resident of Lake County, Larson has served in every department of the sheriff's office. He began as a squad man in 1946 on highway patrol and traffic investigations. In the years following, he advanced to Chief Investigator under former Sheriff Stanley

Federal law enforcement agencies. In 1953, Larson attended and was graduated from the famed Leonard Keeler Institute for criminal law detection and is ranked as one of the top ten polygraph examiners in the United States.

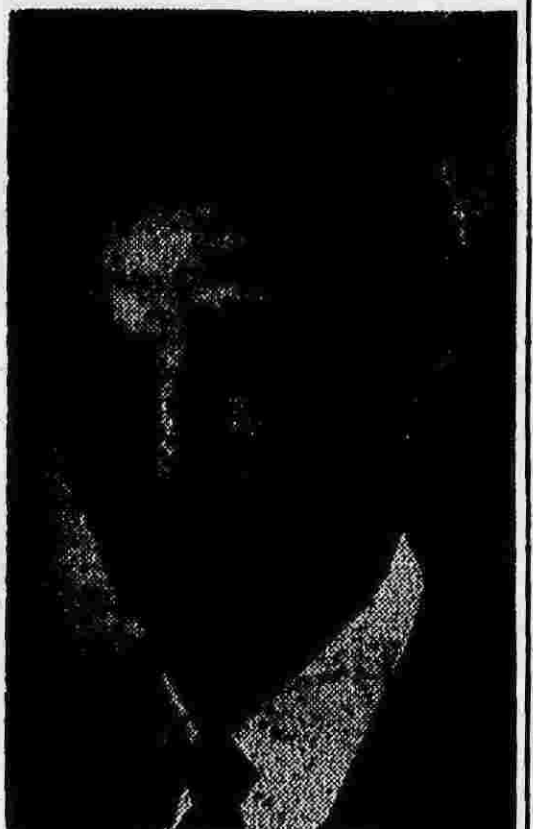

In 1959, Larson was appointed Chief Deputy under Sheriff Norris C. Froelich. A short time later, he received an invitation from J. Edgar Hoover to attend the renowned Federal Bureau of Investigation National Academy. Larson was graduated with honors and formed many warm friendships with FBI and other law enforcement officials throughout the United States and Canada.

During World War II, Larson served in the O. S. S. under Major General William (Wild Bill) Donovan. In this capacity, he was parachuted behind Japanese lines in Burma to organize guerilla bands for espionage. He worked closely with U. S. State department and British intelligence agents in destruction of secret enemy installations.

In addition to his other duties, Larson has conducted classes for Lake County deputies in police administration, laboratory aids and all types of investigative techniques. Prior to World War II, he served on the Lake Bluff police department and brings more than 20 years of sound experience to his present post.

Chief Deputy Larson resides in Antioch with his wife, Ina, and their three children, Charles, Jr., Kenneth and Diana.

Larson has been a Republican Committeeman from Antioch for the past 10 years. He is a former member of the executive committee of the Republican Central Committee and has been vitally interested in keeping a good strong Republican party.

EDITORIAL

A JOB WELL DONE

If you have been attempting to drive upon the snow-covered roads of the Antioch area and other surrounding areas, you no doubt realize the difference of our village's road conditions compared to others. The difference? Our streets are clear and operative.

We would like to extend a hearty commendation to the village workers and officials who made it possible to have our streets cleared and who so effectively got the job done.

Starting Tuesday morning, five village employees, Edgar Simonsen, Charles Maplethorpe, Jimmie Quedenfeld, George Boyd and Otto Hanke worked tirelessly and continually throughout the remainder of the week to clear Main, Lake, Orchard and Broadway streets of the voluminous and potentially dangerous snow heaps along side the streets.

Along with this commendable effort, Antioch Chief of Police Walter Scott and patrolman Steve Rysko directed traffic in the sub-zero weather. Some ultra-critics might say that this effort was merely performed in the line of their duties. Not so, we feel. They could have stayed indoors like most, letting the traffic fend for itself along with those working about it.

We might add also that the cooperation of those who were asked to move their cars in order that the snow around them be cleared is the kind of attitude that reflects the good will and civic mind of the community of Antioch.

As a whole the streets of Antioch are now cleared, passable and good-looking.

We feel that this is but another example of our village government in efficient action and a finished job that compliments its workers.

There are, undoubtedly, those who take this apparently everyday action without attention or unusual consideration. We do not.

A good way to appreciate the looks of a village is to watch it wash its face.

Courthouse Notebook -

BY LOU DURKIN

Now that the Yule holidays are over, most of the bowl games have been played and Green Bay rules the pro football world, the candidates for political office can get down to cases with their planning and handshaking.

Any day now we can expect to learn the identity of the candidate who placed a "sitter" outside the door of County Clerk Gar Leaf's office after pledging him to secrecy.

Or maybe this second man in line isn't representing any candidate at the present time, but hopes to sell his place in the corridor to the highest bidder.

The third man in line reportedly is holding down the fort for Ralph J. Dady who has announced his candidacy for Probate Judge and wants to be the top name on the ballot in that three way race.

County Treasurer Hugo L. Schneider, Jr., is pushing his crew of workers at top speed to complete the balancing of his books and the final distribution of the more than \$40,000,000 his office collected this year.

With the final balancing and distribution out of the way, Schneider can start campaigning for Probate Clerk and Harold Hapke, who has been working alongside of him in the closing of the books, can launch his bid for the Republican nomination for County Treasurer.

Missing from the final effort will be Jack Coyle, of North Chicago, who was feted at an informal retirement party in the treasurer's office last week.

Coyle, who has been on the treasurer's staff for the past five years, was presented with two pieces of luggage to aid and abet his retirement travelling.

The campaign for the GOP nomination for U. S. Representative from the new 12th Congressional District gets off to an early start in McHenry County on Jan. 11 with the Congressional candidates sharing the platform with McHenry county candidates at a dinner meeting for precinct committeemen and their wives.

The McHenry County Central Committee is putting the arm on each candidate for \$100 in exchange for a chance to speak their piece at the dinner to be held at Crystal Lake.

A clout like that could cause some of the avowed candidates to look again at their chances of success and could conceivably reduce the field right at the start.

And here's a Happy New Year note for County Clerk Gar Leaf. Grayslake Atty. Eugene T. Daly, a former assistant state's attorney, has had nominating petitions printed and apparently is planning to seek the Republican nomination for County Clerk, thus eliminating Leaf's hopes for a free ride in the primary.

Look for State Rep. W. J. Murphy, of Antioch, to bow to the needs of his legislative district and seek reelection to the Illinois General Assembly instead of shooting for the new Congressional post.

The veteran legislator realizes how important his seniority is to the district and will accept the responsibility of representing Lake County in Springfield again.

At least, that is our guess at this time.

Noticed an article in ANTIOCH NEWS that there was no personal property in Illinois. Then why have we been getting them every year from Waukegan? It's an unfair tax and I know about everyone just ignores it. I have paid my tax every year. Maybe I am a fool. If they would make an honest survey and tax according to value people might be inclined to pay but when you see people worth ten or twenty thousand in land and personal items you begin to wonder WHY ME?

Sincerely,

The increased public demands on the Illinois Public Aid Commission are creating a serious situation in the state's revenue picture. The IPAC is the state agency which administers assistance payments to the aged, the needy, dependent children and the blind.

Public aid recipients receive financial assistance from the General Revenue Fund, an account which also must provide operating capital for our educational facilities, for the state's code departments and for the day to day operation of the state.

Forecasting the seriousness of the problem, the commission has reported that by the end of the biennium in June 1963, it expects a deficiency of more than \$100 million, the majority of which will be state funds.

The commission computes its estimates on the present rate of demand and a projection of future demands in the months to come.

In an effort to relieve the pressure on the general fund, I recently ordered all department directors to stabilize operations. I also denied requests from the departments in the amount of \$10 million, even though these requests had been approved by previous appropriations. This order is, in effect, a freeze of

all operations. I also ordered department directors not to replace personnel if vacancies occur.

These are precautionary measures designed to provide sufficient time to determine what beneficial effect the equalization of the Service Occupation Tax at the same rate as the Retailers' Occupation Tax will have on the general revenue account. This equalization did not become effective until Dec. 1. However, because of collection processes, it will be two months before we can determine the true level of revenue receipts.

As I had previously reported in this column, the difference in rates caused a disruption in the orderly collection of monthly revenues.

My order to stabilize operations and to maintain a strict level of expenditures will remain in effect until such time as we can make an accurate and complete determination of the balance between receipts and expenses.

Fall-Out Shelter Survey Activated

A further contract for the fallout shelter survey in northeast Illinois has been awarded to Consoer-Townsend and Associates of Chicago, the Chicago Army Engineer District announced today. Providing for completion of Phase One of the survey, the contract covers McHenry and Lake Counties, and seven townships of Cook County.

The Chicago firm was the first in Illinois to receive a survey contract, announced on Dec. 15, which assigned a planning period for the same area—Part A of the first phase.

The new contract calls for Consoer-Townsend to actually calculate populations and select potential shelters in each "standard location" of its assigned counties. A "standard location" is a small geographical area based on procedures of the Bureau of the Census.

Seven large survey areas have been set up in Illinois and contracts are being negotiated with a like number of civilian architect-engineer firms to handle the surveys. It is expected that these firms will pass on work to other engineering businesses, because of the size of the task.

With the Christmas tree angel tucked away in the attic and the needles of the tree swept away, we all can settle back to a semblance of routine again.

Typical of the optimistic American he starts this new year with his feet in a fallout shelter and his head in the clouds. What a blessing to live free, to think and do as we see fit. To help our fellow American while we thoroughly disagree with him, is our heritage. To speak and write our minds is our inalienable right, and the strength of our nation. We will keep these rights and support them beyond all expectations when called upon to do so. Heart News Beat

By Catherine Fable

Don't tackle the job of snow-shoveling with the vigor of a teenager, unless you are a teenager, and a healthy one at that.

These exertions may not do you any harm, but, according to the Heart Council of Lake County, if you are middle-aged it's better not to attempt them unless you've been given a clean bill of health recently by your physician.

The unaccustomed exertion of shoveling snow or pushing stalled cars out of the snow can work havoc with flabby muscles. More serious, the exertion combined with the extra demand for energy placed on your heart by cold weather can strain the heart beyond its normal reserve capacity.

Snow looks innocent enough. But a physiologist calculated the energy cost of shoveling snow with the usual five-pound shovel and his calculations are literally breathtaking.

Each shovel-ful of fluffy snow weighs about four pounds. Shoveling ten loads per minute is equivalent to walking up three flights of stairs in the same period of time. Wet snow, which is even heavier, would make the job equivalent to climbing to the seventh floor in one minute. No doubt about it, snow-shoveling is strenuous. There are other winter hazards, too.

For some men, portly to the point of obesity, just getting into and out of bulky winter wraps can be strenuous. Ever see a fat man, bundled in muffler and overcoat, puffing as he bent down to take off his galoshes? It should strengthen your resolution to lose any excess weight you may be carrying.

Walking through knee-deep snow can make the strongest of us breathless. But for overweight people, it is even more of a strain.

You can best prepare yourself for a safe winter by, first of all, going to your doctor for a check-up. After that, the Chicago Heart Association offers these points to think about before you pick up a snow shovel:

—Remember that snow-shoveling is a strenuous exercise.

—If you have heart disease, don't shovel snow without your doctor's approval.

—If you are young and healthy, shoveling may be a good work-out for you.

—If you are over 40 and healthy, shovel, but take it easy.

—It's better to shovel before eating or wait an hour after eating, as you should for most vigorous exercise.

—Never shovel to the point of exhaustion. The invigorating cold air

may make you feel 20 years younger, but you're not.

—When you shovel lift with your entire body, letting your back and legs share the hard work with your arms.

—Probably the best piece of advice: Hand the snow shovel to an ambitious youngster and go to the nearest ice-skating pond for your exercise.

Improved depreciation allowances on equipment have been recommended by Secretary of the Treasury Dillon. He also urges a tax credit for all new investment in plant equipment, saying such moves are necessary for industry modernization that will keep this country competitive in world markets.

GIRL SCOUTS

By Mrs. Mary Kay Claffy

Brownie Troop 109 of Big Hollow School, Fox Lake Area visited Lake Villa Baptist Children's Home. They sang Christmas carols in front of each individual home of the different age children and as they left the children would join them in going to the next house. Mr. W. Rowden accompanied them and after each cottage was visited they all went to the dining hall and had hot chocolate furnished by the home. Cookies, cup cakes and popcorn balls were also served by the leaders and mothers. Place favors were also given from the Brownie adult workers. Leaders are Mrs. Lorraine Boelke and Mrs. Lichaczewski.

Intermediate Troop 211 of Venetian Village visited Lindenhurst Intermediate Troop 173 and leader, Mrs. Everett Standford, to a Christmas party in Venetian Village. They played games and proceeded to learn to Cha Cha, taught by Mrs. Standford, after which Christmas carols were sung. Girl Scout 50th anniversary charms were given each girl from the leaders of Troop 211, who are Mrs. Elvira Ruckoldt, Mrs. Alice Puzkin and Mrs. Evelyn Gagnon.

Refreshments were served and enjoyed by 30 girls and 7 adults. Troop 211 also visited Lake Villa Nursing Home to sing carols and give gifts, some of which were cookies made by the girls as one of their Christmas projects. On the return trip they stopped at Venetian Manor to sing carols. There were 14 girls and 6 leaders.

Fox Lake Intermediate Troop 149 with leaders, Mrs. Bunting and Mrs. Leonard Phronner drove to Lake County Home in Libertyville and sang carols in the corridors, with the patients joining in. There were 6 girls and on the return trip they stopped for hot chocolate.

Intermediate Troop 78, patrol 2, of Big Hollow School, Fox Lake Area, with leader, Mrs. Janet Magoon, past leader, Mrs. Jenny Barnard, and Fox Lake Neighborhood chairman, Mrs. Dorothy Siebert and her daughter, who is a senior scout, took the 5:38 a.m. train from Fox Lake to Hotel Sherman in Chicago to be guests on the Don McNeill Breakfast Club Station WLS. While there a riddle written by Mary Magoon, one of the Scouts, was picked to be read on the air. They were at the show about one and a half hours, then had an early lunch at a cafeteria.

Several toyland spots were visited among which were Marshall Fields and they were given a grand welcome at Weiboldts and were entertained by Ko Ko, the clown. They also received musical balloons from Carson's toyland. Fifteen persons attended, and they returned home on the 3:40 p.m. train.

Channel Lake News

By Mrs. Pearl Kapell

The December meeting of the Northern Illinois Conservation Club was taken up with discussion of plans for the ice-fishing derby, to be held on the south end of Channel Lake on January 14. Novice or expert, there's a special thrill in catching a bigger fish than anyone else—especially when it's measured and weighed so that your friends can't accuse you of stretching the truth.

If you just don't like to fish, special games have been arranged in roped-off areas by Program Chairman James Waters.

Ever try baiting a hook with gloves on?

The Conservation Club has placed trash cans on various lakes for the use of fishermen. Anyone knowing of areas in need of trash cans, call Dick Waters.

At the January meeting, the Conservation Club will elect new officers.

Mr. and Mrs. Richard Prange spent the Christmas holidays at the home of Mrs. Prange's mother, Mrs. David Stratton. The Pranges are living in Carbondale while Mr. Prange attends college there. Danette and Rich visited their many friends and relatives in the Antioch area while at home.

Wayne Swanson and Nick Ryan are among those home for the Christmas holidays, from Ft. Leonard Wood, Mo., sporting the latest thing in GI haircuts. Richard Kapell left for the Army's winter playground in Missouri on Jan. 2.

BOONE, IOWA, NEWS-REPUBLICAN: "One of the less commendable acts of Congress was its last minute passage of legislation that will give senators and representatives almost unlimited free mailing privileges. As a result of this provision, members of Congress will be able to deluge voters with a greater flood of electioneering propaganda than ever before—at the voters' expense."

IDS Tops All Sales Records

W. L. Strahan recently reported that total sales of \$181,442,920 produced in the six weeks from October 30 to December 12, 1961, by Investors Diversified Services, (IDS) national sales force topped all previous records achieved during the annual autumn sales campaign, and passed by \$44,442,000 this year's national goal of \$137,000,000. Last year's campaign produced total sales of \$141,904,667.

Gross dollar volume in cash sales of shares in the five mutual funds for which IDS provides investment services, amounted to \$68,254,373 for the six weeks, a gain of more than \$28½ million over comparable sales last year.

The maturity value of the ISA face-amount investment certificates sold during the campaign totaled \$51,312,170.

Insurance sold by Investors Syndicate Life Insurance and Annuity Company, a subsidiary of IDS, totaled \$64,875,477, up \$17,198,110 over sales of policies in the 1960 autumn campaign.

Investors' sales force composed of more than 3,500 trained men and women is the exclusive distributor of these services. Through its sales organization, the 68 year-old Investors Diversified Services, Inc. services nearly 1,200,000 customer accounts. It has assets under management in excess of \$4.2 billion and is the largest financial institution of its kind in the nation.

ALL ABOUT BABIES...

A Public Service of the
National Baby Care Council

HOBBIES FOR YOUNG MOTHERS

By William L. MacMillan, Jr.
Executive Director
Hobby Industry Assn. of America, Inc.

When baby comes, mother automatically concentrates all of her physical and mental energy on him. She is alert to every sound and stir from the crib, and unconsciously showers all her love and attention in that direction 24 hours a day.

But, to follow the sound advice of both medical and mental health authorities, she would be doing herself and baby a genuine service by reserving time each day for herself, time out for a hobby. This should be a special part of every day, perhaps an hour during baby's nap or after he has been tucked in for the night.

Since mother's hobby is something she selects because she enjoys doing, it can become one of the most eagerly anticipated parts of her day, her personal reward for putting up with the dozens of little annoyances that could leave her unpleasant or irritable. Mother will find

that while a hobby refreshes her outlook, it can yield practical and rewarding results too.

If she has a yen to brighten up the living room, she can make a set of mosaic tile ashtrays with candy dish and matching tile trivet for carafe; add sparkle to walls with paint-by-number scenes, a pebble or sand painting; or provide inexpensive accessories through a tolerance serving tray, planter or magazine rack. And how proud she'll be when she tells admirers she did it herself.

If Dad has been feeling slightly neglected since baby arrived, the wise mother will devote some of her hobby time on him. He would be pleasantly surprised with a leather belt or wallet, a copper and enamel cuff link and tie-clasp set or an offer to help with the new scenery he wants for his model railroad layout.

Mother should be sure to use hobby time to make something she wants for herself, too. There are a number of interesting accessories

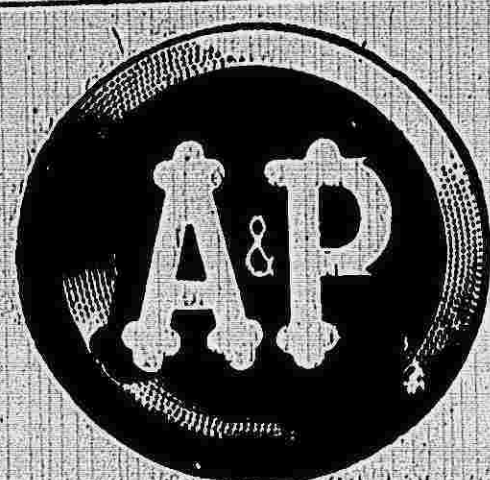

or jewelry pieces to try, braided belts or earrings lovely shell pins, a hand-tooled shoulder bag or soft moccasins.

Mother might devote time to learning something entirely new. This could include anything from identifying the insects that attack her favorite roses to "what weather is all about," subjects she could have fun learning with hobby-science kits.

No matter which hobby project mother decides to try, the important thing is to choose something and spend time with it regularly. Both her life and baby's will be richer for it.

Chain Store Age says that competition among chain store companies extends to areas that few consumers ever pause to consider, and involves much more than merely countering a competitor's low price with a still lower price. The way a store is lighted, for example may serve a competitive purpose, even though most shoppers never become aware of it until the day that a particular store suddenly, for some mysterious reason, begins to look a little more attractive than its neighbors.

"Bankers' Hours" are a fiction. Most Bankers work a standard seven or eight hour day.

NEW YEAR'S ENTERTAINMENT

Mr. and Mrs. Russell Rendall entertained several guests over the New Year's Holidays in their home. Those attending were Mr. and Mrs. Albert Hall of Milwaukee, Mr. and Mrs. Carl Seoreson and children, Mr. and Mrs. Dick Rendall, Mr. and Mrs. Norman Rendall, Mr. and Mrs. Kenneth Rendall and children, Mr. and Mrs. Willie Brown and Mr. and Mrs. Jerome Ramsey and family.

NEW YEAR'S GUESTS

Mrs. Henry Homan, Mrs. Glen Siedschlag and Mr. and Mrs. Russell Homan were supper guests at the home of Mr. and Mrs. Howard Henne in Elmwood Park on New Year's Day. Mrs. Henne and Mrs. Henry Homan are sisters. Other guests were Mary and George Enfield and daughter, Dawn; Mary is the Howard Henne's daughter.

The Homans and Mrs. Siedschlag also attended the wake of Mr. Henne's nephew, William Henne, who passed away Thursday, Dec. 28.

CEMETERY ASSOCIATION

The annual meeting of the Millburn Cemetery Association will take place on Monday, January 8, at 2 p.m. in the home of Gordon Bonner in Millburn.

ALTAR AND ROSARY

Two events will highlight the January 8 meeting of St. Peter's Altar and Rosary Society.

Rosary, Benediction and installation of new officers will be held in church at 7:45 p.m. During services Fr. Alfred Henderson, Spiritual Director, will induct Mrs. Jerome Vogler, president; Mrs. Henry Apostol, vice-president; Mrs. Leonard Needham, secretary and Mrs. George Palaske, treasurer.

The regular meeting will then follow in the School Hall with Mrs. John F. Grady, R. N., of the Lake County Health Department as speaker. At the close of her talk Mrs. Grady will hold a question and answer session to acquaint the audience with her work at St. Peter's School.

Members having January birthdays will be honored. Refreshments will be served by Mrs. Lars Steffenburg, with Mrs. Bruce Dalgard, Mrs. John Harrison, Mrs. Carl Pachay, Mrs. Larry Ryan and Mrs. John Seidemann assisting.

WOMEN OF THE MOOSE

Thirty-four members were present at the business meeting of the Women of the Moose on Dec. 21 at the Moose Home.

Those honored in the Birthday March were Mesdames Vi Larsen, Gert Dupre, Janet Maleski, Lorna Buchert, Mae Palmer, Jerry Polson, Barbara Wetherbee, Shirley Gehris, Rose Kennedy and Eunice Ashley.

Refreshments were served by the Social Service Committee, under the chairmanship of Mrs. Janet Maleski. Mrs. Elsie Toman, chairman, and her publicity committee, made foot-lets and candy for Christmas giving to the Children's Baptist Home at Lake Villa.

Coming events for WOMT: Jan. 4—Enrollment night at the Moose Home. Jan. 8—Antioch Chapter 735 invited to Fox Lake Chapter meeting.

Sons of Natives Get Scholarships

Richard J. Wilson of Chicago, son of Mr. and Mrs. Clarence Wilson of Antioch was a recipient of the Laverne Noyes scholarship at the Illinois Institute of Technology of Chicago.

Wilson is a junior in the chemical engineering department. He is a graduate of Proviso Township High School in Maywood. He is active in the Alpha Chi Sigma professional chemistry fraternity.

Another scholarship was given to Brian C. Elliott of Antioch, son of Mr. and Mrs. Clair Elliott. Elliott received the Institute of Gas Technology scholarship at the school. He is a freshman in the mechanical engineering department and a graduate of Antioch Township High School.

If government is not efficient, reasonable and favorable to business there can be no real prosperity, in the view of President J. E. Corlette of the Montana Power Company. He pointed out that business must provide "service, show a profit, take a vital interest in good government and show intense interest in economic and cultural development of the nation. Investor-owned business in the free world will not survive unless all of these receive top attention."

FARMINGDALE, N. J., BOOSTER: "A liberal is a guy who thinks the world owes him a living—A conservative knows the world owes him a living—but he also knows he has to work like the devil to collect."

Letter to the Editor

Antioch, Ill.
December 29, 1961

The Antioch News,
Antioch, Illinois
Dear Editor:

Regarding the Antioch News yesterday, about the Antioch Two High School Board voting to place the Fund raised by the Tax Payers of Antioch Village and also the Township, in the LaSalle National Bank, of Chicago, Illinois. Just what advantage is there in doing this? We have two Solid Banks in Antioch, Illinois. We are in Lake County, not Cook County. Can't we handle our own business, seems Cook County has enough to care for their own Schools, Taxes, etc. How ridiculous can you get, sending Tax money to another County.

Tax Payer
Editor's Note: Several issues ago in the Antioch News we explained that the reason behind the Antioch School Board's action was to attain maximum interest rates not as favorable in Antioch. In this way, the taxpayer receives much more for his investment. Again, the LaSalle Bank acts as nothing more than a clearing house for the fund.

If such a large amount of capital was handled by one of Antioch's institutions, the great burden of a non-liquid asset would also be eliminated.

ROYAL NEIGHBORS

The Royal Neighbors lodge of Antioch will hold an open installation meeting at 8 p.m. Tuesday, Jan. 9, in the American Legion Hall on Ida Ave.

The installing officer will be Mrs. Gladys McCarthy of Gurnee; Mrs. Gladys Lokke will be installing marshal; Mrs. Ida Lokke, inner sentinel and Mrs. Effie Nelson, installing chancellor.

Those to be installed are Mrs. Bernice Golden as oracle and Carolyn Vance as vice-oracle.

Former Resident Attends College

Richard A. Jonas, a former resident of Antioch and a 1958 graduate of Antioch Township High School, is now attending Ball State Teachers' College in Muncie, Ind., where he is a senior.

Jonas started his freshman year of college in Mexico at Mexico City College. He has been employed by a nationally known public accounting firm on an internship.

On Dec. 27, Jonas left for Los Angeles, Calif., by jet to Ball State to complete his studies, graduating in 1962.

Jonas is a member of the Sigma Tau Fraternity, the Pi Omega Pi Business Education Honorary and the Delta Sigma Pi Business Administration Honorary.

He now resides with his parents, Mr. and Mrs. I. Jonas, in Griffith, Ind.

Engagement Told

Barbara Yates

Mr. and Mrs. Fred Yates of 483 Lake St. announce the engagement of their daughter, Barbara, to Mr. Robert Lindholm, who is the son of Mr. and Mrs. Roy Lindholm of Clare.

Both Barbara and Robert are senior students at Northern Illinois University, where Mr. Lindholm is affiliated with Alpha Phi Omega, National Service Fraternity.

The couple plans a June wedding.

Christmas Engagement

Miss Janice Hattendorf

Mr. and Mrs. William Hattendorf of Antioch announce the engagement of their daughter, Janice, Lynn, to Mr. Michael R. Hoff, who presented Janice with her ring on Christmas. Michael, who is the son of Mr. Robert Hoff of Riverside, is a student at Morton Junior College, Cicero.

No date has been set for the wedding.

ORDER OF RAINBOW

The Antioch Assembly, Order of Rainbow for Girls, will meet at 7 p.m. Monday, Jan. 8, at the Masonic Temple. Miss Jane Lassen, worthy advisor, will preside.

There will be election of officers, followed by refreshments, with Miss Harriett Wells and Mrs. Joseph Parfitt as hostesses.

RECOGNIZED NATIONALLY

Roy H. Park, Editor-in-Chief of the Duncan Hines Institute, announced recently that George Diamond's Steak House in Antioch has received national recognition in the new 1962 edition of the Duncan Hines travel book, "Adventures in Good Eating."

In And About Our Town

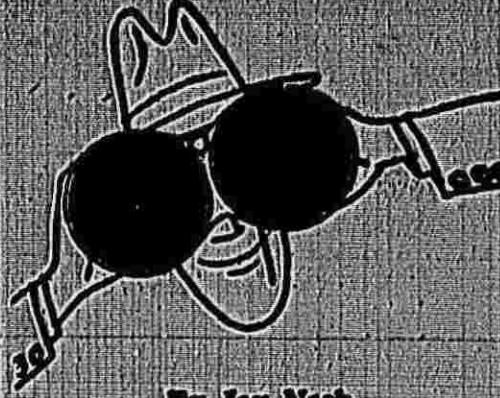

Miss Lois Wohlfell

Busily answering phones for the Illinois Bell Telephone Business office is Miss Lois Wohlfell, 21, daughter of Mr. and Mrs. Melvin Wohlfell, of Grass Lake.

Lois is a 1958 graduate of Antioch High School and has been working for the Illinois Bell company for 3 years. She handles all sorts of complaints, selling for the company and claims being filed.

Lois' great joy in life is owning a black quarter horse named Souvenir who is 2 years old and trains

By Jay Nash

In a recent issue of a daily newspaper an absurd scandal of the child-like wonder of the jungles, Tarzan, pivoted to national attention. It seems that the upper-crust "Babbitts" of Downey, California, consider the classic Edgar Rice Burroughs Tarzan books indecent and immoral. Why? Well, no one ever knew if Tarzan was married to Jane while they were living up in that quaint tree house. And, of course, we can't have our children acquainting themselves with such risque themes!

So, off the shelves of the elementary school libraries go the Tarzan books in California districts. Drummed into obscurity from the adventurous mind of children goes one of the all-time heroes. The purge is on! No one is safe. Say, didn't Zane Gray have a few suggestive passages about a man and his horse? Yes, friends. Zane Gray got it too. Off he goes, whisked to a diminishing destiny of the past. O. K. Who's next?

This ridiculous censorship has probably done more harm to the censors than to the books in question. The publicity blow-up being national, somewhat distorts the meaning and clarification, no doubt, of the censors' intentions. The whole action strikes the familiar pattern of the Salem witch-hunts and the Spanish Inquisition, even though on a proportionately smaller basis.

Anyway, getting back to Tarzan. Burroughs himself, who was once questioned about this unholy bond between the Jungle's children, stated that people should read his books before jumping into the perennial pond of panic. Tarzan, in fact, was married to Jane in a book published in 1915 which was entitled "The Return of Tarzan." Jane's father, a practicing minister from America traveled to the jungle wilds to wed the both of them, and then, his duty performed, departed hastily.

It seems to me that there are far more important censorships to be applied to indecent magazines and books than attempting to besmirch the character of almost human heroes on whom all children of imagination thrive.

If this situation increases, you can look forward to sheepishly sneaking

into book stores, and while scanning the establishment for smooching observers, place a cupped hand to your mouth and whisper to the dealer, "Robin Hood, please."

The dealer will most probably look at you in shocked embarrassment, and then, ever-so-stealthily reach under the counter for a sealed package, hastily ring up your sale and retreat into the back room moaning his shame while you nervously leave.

You may then take your coveted publication home to your child, pull down the blinds, and in the secreted shadows of your home, deliver your present.

But the sin will, of course, become exceeding more grave, friend. Because next week, you may be planning another insult to human decency. You guessed it. Ivanhoe!

HOSPITAL VISITORS

Mrs. Helen Zeien of Chandel Lake, who is a patient at Victory Memorial Hospital, Waukegan, was visited Tuesday evening Jan. 3 by her sister and brother-in-law, Mr. and Mrs. Norman E. Olsen, Sr., of Chicago.

Mrs. Zeien entered the hospital Thursday, Dec. 28, for x-rays and observation.

THANK YOU

Mr. and Mrs. Bernard Parker and family wish to express their appreciation for all the kindness shown them at the recent loss of their home in a raging fire. Their thanks to all who extended their kind consideration.

First coin to bear a president's likeness was the Lincoln penny, minted in 1909.

Lake Villa News

By Mrs. Fred Bartlett
Lake Villa, Ill. 6-5875

LAKE VILLA—The Royal Neighbors of Cedar Lake Lodge, Lake Villa, will hold their next meeting January 9, at which time they will have their installation of officers for the coming year. More details in this column at a later date.

The Junior High Methodist Youth Fellowship group will meet at the Lake Villa Methodist church at 7 p.m. on January 5. Games will be played and refreshments served.

Miss Patricia Dibble, daughter of Mr. and Mrs. Howard Schneider, underwent surgery at Billings hospital in Chicago last week. She was able to return home Friday and is well on the road to recovery.

Marilyn Hamlin, a student at Our Lady of Bethlehem College, Columbus, Ohio, spent the holiday vacation with her parents, Mr. and Mrs. Lester Hamlin.

James Prossie, a student at the University of Missouri, spent the holiday vacation with his parents, Mr. and Mrs. E. R. Prossie.

Mr. and Mrs. Henry Reidel and Mrs. Lottie Barnstable were dinner guests Christmas Day at the home of Mr. and Mrs. Vern Barnstable of Antioch.

Mr. and Mrs. James Fish and son of Antioch, Mr. and Mrs. William Fish and Mrs. Jacob Fish, all of Lake Villa, were dinner guests recently at the home of Mr. and Mrs. Chester Hamann of Waukegan.

Mr. and Mrs. Ray Bartlett and family of Waukegan were visitors Sunday at the home of Mr. and Mrs. Fred Bartlett, Sr.

Mr. and Mrs. John Effinger and Mr. and Mrs. Joe Nader, Sr., are enjoying ice fishing at Chetek, Wis.

The Lake Villa American Legion Auxiliary will hold their next meeting on Thursday, Jan. 11, starting at 8 p.m. at Johnson's Fourth Lake Resort, Lake Villa.

The Lake Villa Salvation Army Unit gave fuel oil, Christmas baskets and groceries to needy families. They also gave tobacco to the patients at the Lake Villa Rest Home.

Mrs. Tena Gerber and Arlene Letting entertained relatives from Burlington, Wis., Sunday.

The Village Pizzeria, located on Route 21, Lake Villa, will soon occupy the Peterson building on Cedar Ave., Lake Villa. Michael Lesko is the owner.

Taxpayers Will Soon File Their 1962 Taxation Forms

The 1962 Federal Income Tax filing period will soon begin. Every citizen or resident of the United States—whether an adult or minor—who had \$400 or more gross income in 1961 is required to file a return. For taxpayers 65 or over, no return is required unless gross income was at least \$1,200. Harold R. All, Director of Internal Revenue Service for this district announced.

Returns should be filed as soon after January 1st as possible, but no later than April 15, 1962. Taxpayers of the 28 counties of northern Illinois should file their returns with the District Director of Internal Revenue, 22 West Madison Street, Chicago 2, Illinois.

The Internal Revenue Service will offer assistance at the local offices, by telephone, and information programs through newspapers, government publications, radio, and television.

Beginning January 29, the 23 local offices of the Chicago District will offer aid by the self-help group plan, which provides for assistance to taxpayers assembled in groups of 6 to 8, with an Internal Revenue Agent instructor to guide them in the preparation of their returns.

Help will be offered on Mondays only, as this day is designated as "Taxpayer Assistance Day," when a full staff of employees will be available to provide assistance.

Assistance will be offered through newspaper articles, regularly scheduled radio and television programs,

and official U. S. Tax Guides, copies of which will be obtainable at local Internal Revenue offices.

Telephone service will begin on January 2, and will be maintained through April 15, 1962. As in past years, a staff of experts will be assigned to answer almost any Federal Tax question relating to the individual return. Taxpayers with a problem or two may call the local office for a quick answer, thus enabling them to complete the preparation of their returns.

For Antioch residents assistance will be provided at 325 West Washington Street in Waukegan.

Dr. Paul Dudley White, eminent cardiologist, says, "Physicians are doing a good job with the research tools at hand to treat heart disease, but over the years to come, any marked improvement in the statistics (heart and artery disease cause more than half of all deaths in the nation, state and your city) must depend upon research advances." To insure continued progress in combating heart disease, support the Heart Council of Lake County. The major portion of the contribution goes to support research.

New frontiers in prevention, treatment and care of rheumatic fever have been reached as a result of programs initiated and financed by your Heart Association.

News of Millburn

By Mrs. Frank Edwards

About 150 persons attended the Candle Light Service held at the Millburn Congregational Church on Christmas Eve.

The Devotional Study Group will not meet until Thursday at 9 a.m. Jan. 11, at the church.

Herbert Frange, a patient at Hines Hospital in Maywood, was home Sunday and Monday.

Mrs. Eva Ailing of Waukegan was a caller at the home of Mrs. Frank Edwards one afternoon recently.

Mr. and Mrs. Frank Hauser attended baptismal services for the daughter of Mr. and Mrs. Clarence Hauser of Paris Corners and were also dinner guests at the Clarence Hauser home recently.

Mr. and Mrs. Garrett Trout were dinner guests of Mr. and Mrs. Al Taylor of Wauwatosa, Wis., on Christmas Day.

Members of the Ladies' Aid will meet Thursday, Jan. 4, at the church for their regular business meeting held at 1:30 p.m. Dessert luncheon at 12:30. Mrs. W. C. Petty of Antioch will give a book review. Guests are welcome. There will be no dinner for the public in the month of January.

Mr. and Mrs. Eric Anderson and daughter, Rebecca, Mrs. Anna Bauman, Mr. and Mrs. Kenneth Denman and sons, Mr. and Mrs. Milton Bauman and daughters and John, Bruce and Gail Bonner spent Christmas Eve at the home of Dr. and Mrs. William Bauman at Barrington.

Mr. and Mrs. John Edwards and family of Libertyville spent Sunday afternoon at the home of Mrs. Frank Edwards.

Miss Sharon Weber of Chicago spent the Christmas weekend with her parents, Mr. and Mrs. Clifford Weber.

Mr. and Mrs. Orville Hairroll and sons of Waukegan, Mr. and Mrs. Elmer Hauser of Beach were callers at the Frank Hauser home Christmas Day.

Mr. and Mrs. Blanchard Weaver and family of Winthrop Harbor, a son, Dee Weaver of Missoula, Mont., and Mr. and Mrs. Richard Frange were dinner guests and spent the day with Mr. and Mrs. Herbert Frange on Christmas Day. Callers in the afternoon at the Frange home were Mr. and Mrs. Carl Hughes, Urban Stucker and Marvin Worchie of Venetian Village.

Mr. and Mrs. Robert Denman and family, Mr. and Mrs. Kenneth Denman and sons, Mr. and Mrs. Milton Bauman and daughters were dinner guests of Mr. and Mrs. Frank DeYoung Christmas Day.

Mr. and Mrs. Ellis Gott and Mr.

and Mrs. Leo Stancak and family of Waukegan and Col. and Mrs. L. K. Watson and family of Lindenhurst were dinner guests of Mrs. Lyman Bonner Christmas Day.

Mrs. Harley Clark and son, Glen, were Christmas Day guests of Mr. and Mrs. Walter Fontaine of Gurnee.

Mr. and Mrs. Clifford Weber attended funeral services for their brother-in-law, Clare Trickle, at Buchanan, Mich., on Wednesday.

Mr. Trickle passed away quite suddenly Sunday of last week.

Mr. and Mrs. Vernon Stahnke and daughters of Arlington Heights were dinner guests of Mr. and Mrs. Leale Bonner.

Now is the time to begin thinking about making New Year's resolutions, the Heart Council of Lake County notes. High on your list should be an annual heart and health check-up. Make your appointment now and start the New Year with the added zest gained from knowing you have taken steps to ensure your well-being.

Lindenhurst News

By Mrs. Bernice Berman
Elliot 6-5449

Mr. J. C. Johnson of Minneapolis, Minn., will be at St. Mark's Lutheran Church on Grand Avenue in Lindenhurst January 6-16 to direct the first Every Member Visitation program of the congregation. The American Mission Department of the A. L. C. is providing the helpful direction for the new congregation. St. Mark's was formally organized Sunday, Dec. 17.

The Service of "Carols and Candles" found St. Mark's filled to capacity, at 11 p.m. Christmas Eve.

Mr. and Mrs. Robert Randall spent Christmas at Elaine's sister, Mrs. Walter Foss' home in Chicago with several other members of their family. Elaine's parents, Mr. and Mrs. Howard Thompson, of Waukegan, Wis., arrived here on Saturday by train to spend the week here. Mr. Thompson had to leave Tuesday morning but his wife stayed until Saturday.

Watch for news of the Teenage Hop!

Have you called Mrs. Ed Dragoon yet to pick up your rummage for their sale on Saturday, Jan. 13? Elliot 6-5326 is the number to dial. The Auxillary to the Lindenhurst Sportsmen's Club is sponsoring the affair. It will be at the B. J.

Hooper School on Sand Lake Road in Lindenhurst from 9 to 5 p.m.

Mr. and Mrs. Joe LaBarbera and family spent the day before Christmas with Pearl's parents, Mr. and Mrs. Joseph Romano, in Bristol, Wis. Other members of the family also were there.

Christmas Day was spent with Joe's parents, Mr. and Mrs. Anthony LaBarbera in Chicago.

Mr. and Mrs. Arthur Cowan of Westmont, Ill., and Mrs. Arthur Cowan, Sr., of Magnolia Springs, Ala., were Christmas Eve dinner guests of Mr. and Mrs. Ed Bernau and family.

The "Gad-a-Bouts" had their Christmas party at Mrs. Pearl LaBarbera's house last Wednesday evening. The exchanging of gifts was the highlight of the evening. Listening to records, playing Po-Keeno and ignoring calories made the evening very gay. Eating by candle light was different for a change.

Meet Your Neighbors

Mr. and Mrs. Duane LeClair are renting "Ronnie Coles" home at 216 South Valley Drive. The LeClairs lived in Venetian Village a little over a year before moving here, originally being from Kankakee. They have two children, David 6 and Kathleen, who will be 4 Jan. 15.

You probably have met Duane at some time or other. He is the assistant manager at the Piggly Wiggly in Linden Plaza. He enjoys fishing and hunting but doesn't get to do much hunting up here.

Mary says she enjoys swimming. (It was down around zero when she told me that). Some of you ladies may have met Mary this past fall. She was a toy demonstrator.

Mr. and Mrs. Allen Novander moved here three months ago from Mundelein. They are renting the Joe Mohr residence at 2008 Woodlane Drive.

They have been married three years and have four children. Debra is 12, the twins, Victor Allen and Christopher are 18 months and the baby Cynthia Lynn, is 8 months old. Allen works for the Ball Brothers in Mundelein. Like most men he enjoys fishing and hunting.

Mr. and Mrs. Jack Larsen have purchased the home formerly owned by the James Mumbower family at 1808 Maplewood Drive. They have been married a year and a half and have been living in North Chicago before moving here.

Jack works for the E. E. Pattern Co. in North Chicago as a pattern-maker. He built a motorbike, and loves to work with machinery.

He is an ardent fisherman and hunter.

Judy works for the National Gypsum Company in Waukegan.

They spent the Christmas holidays with Judy's parents who recently moved to Mississippi. Upon returning home Tuesday they brought her older brother, Bill Bondeson, back with them. He plans to stay here with them.

The Lindenhurst Men's Club will meet Thursday evening, Jan. 4 at the Civic Center on Old Elm Road. Meeting will start at 8 p.m. All men of the village are invited to attend. It is a good way to get acquainted with your neighbors.

The completion of nomination and the election of officers will take place. The new officers will take over at once. It will be a routine meeting, with chairmen giving their various reports and plans made for the coming year.

Applicants are wanted for the Lindenhurst Police Department. They must be over 25 years of age and residents of Lindenhurst for at least one year.

Applications may be obtained by calling any of these phone numbers: El. 6-7140; El. 6-5611 or El. 6-7368.

The Altar and Rosary Society of Prince of Peace Church in Lake Villa will receive Holy Communion at the 8 a.m. Mass next Sunday.

Donors Aid Rescue Squad

The Rescue Squad fund which is spearheaded by the Lions Club of Antioch has recently received additional donations from persons living in the area.

Those listed by the club as present donors are:

Richard O. Burnette, Lennard Fischer, G. H. Vaupell, William Keulman, Jr., Ernest R. Verne, Antioch Twp. Republican Women's Auxillary, Mrs. William Paulsen, Eric Johnson, Harry J. Brehen, Antioch Lumber & Coal Co., Mrs. Herzog, Friends and Neighbors in memory of Harry Carlson, Ed and Evelyn Strang in memory of Helen Benedt.

Antioch Places 4th in Fenton Tournament

Kubicki High Point Man in Total Series

It turned out to be a cold night in more ways than one last Thursday as an erratic Sequoit five dropped a 66 to 55 decision to Glenbrook in the second round of play at the Fenton Holiday tournament Thursday, Dec. 28.

Plagued by an ice cold basket and the referee's whistle, the Antioch quintet couldn't seem to find the combination. Trailing 18 to 11 at the end of the first period, the Sequoits warmed up a little but couldn't gain on the Glenbrook five and the half ended with Antioch on the bottom end of a 33 to 25 tally. Antioch missed on six one and one free throw situations during the first half and the Glenbrook squad took advantage of this, racking up their eight point half time lead.

Trailing 37 to 50 at the end of the third stanza, the Sequoits began finding the range and outpointed their opponents 18 to 16 in the final period. It was not enough, however and the contest ended 66 to 55.

Bob Kubicki was high point man for the Antioch squad with 22 counters on 9 field goals and 4 free throws. Kubicki the only Sequoit in double figures was also high point man for the game.

Hallwas followed with 9 points and Lang and Oza counted for 7 each. Pieterzak took the scoring honors for Glenbrook with 21.

Held down by early mistakes, travelling violations, three second zone, etc., the Antioch team turned the ball over 15 times during the contest without shooting.

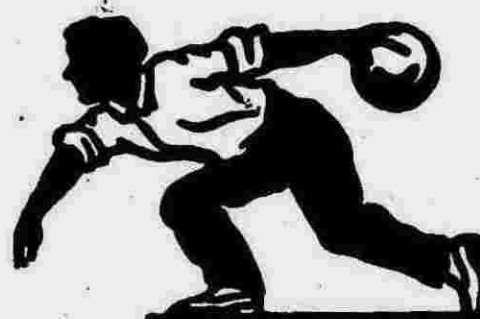

On the boards, Antioch held their own against the bigger Glenbrook five, coming off with 23 rebounds to 28 for Glenbrook.

John J. Noel Runs for Rep.

John J. Noel

John J. Noel is currently a Republican candidate for nomination to a seat in the Illinois House of Representatives.

He is Secretary of the Lake County Republican organization. The 31st District, which he seeks to represent in Springfield, consists of all of Lake County.

Noel, a steel firm sales representative, was first elected to public office in 1949 as a village trustee of Mundelein. In 1950, he and others founded the Lake County Public Water District and he serves on its board of directors. He is vice-chairman of the district. Long a member of the Illinois Municipal League, Noel became its president during 1959-60, and now serves the State of Illinois as vice-chairman of its Municipal Problems Commission, by appointment of the Governor. The Commission's recent work led to a reorganization of the State's complicated Cities and Villages Act.

The Mundelein president is a past president of the North Shore Area Council of the Boy Scouts of America, past president of the Mundelein Lions Club, member of the Lake Shore Athletic Club of Chicago, member of the Board of Directors of Condell Memorial Hospital and is listed in Who's Who in America.

CENTER, COLO., POST-DISPATCH: "Small town newspapers actually are the basic advertising medium for 99 million folks. There are about 10 thousand small-town newspapers across the country, and they get into way over 27 million homes. There isn't much doubt about the fact that the strictly local newspaper, the Hometown newspaper, still is, and always will be, the best reading buy in town."

Willowbrook Takes Antioch In 3rd Tournament Contest

Antioch had to settle for fourth place in the Fenton Holiday Tournament as they dropped a 78 to 61 decision to a strong Willowbrook team Friday at Bensenville. Playing what Coach Larry Leon termed, "our best game of the tournament," the Sequoit five couldn't quite match the experience of the Willowbrook squad.

Rebounds accounted for most of the deficit as the taller Willowbrook front line grabbed off 42 to Antioch's 17. The Sequoits hit for a respectable 39.6% from the field, trailing their opponents by 1 percentage point, but the Willowbrook five took 73 shots to Antioch's 53.

The Sequoits trailed at the first quarter mark by 7 points and dropped another 4 counters by intermission with the score standing at 39 to 28.

The local five held their own in the third stanza as both teams blattered the nets for 19 points each. Antioch had pulled to within 5 points of Willowbrook with a little over three minutes left in the quarter when two quick baskets and a free throw by Kraft again boosted Willowbrook's lead.

The Willowbrook quintet coasted to a 6 point edge in the final stanza and the contest ended 78 to 61.

Three Antioch boys hit for double figures. Leading the way was Krieger in one of his most impressive showings of the season with 16 points on 7 field goals and 2 free throws. Following closely were Kubicki with 15, on 6 FG and 3 charity tosses and Oza with 13 counters.

Pleviak, impressive in previous contests was shut out for his second game in a row.

Kraft and Borneman shared scoring honors for Willowbrook with 20 points each.

In the final game of the evening, a strong Palatine squad took the Championship trophy by defeating a determined Glenbrook five 69 to 64.

In the curtain raiser Lake Park won over Elmwood Park 57 to 50 to take the Consolation trophy.

January 1962 Weather Forecast

Our information indicates 35 to 40 degree temperatures around January 7, 20th, and 27th, and possibly as high as 50 degrees around the 14th.

This does not mean that January will average warmer than normal as there is some real cold weather in the hopper. Look for zero to 10 degrees above on January 10th and 24th and to 5 degrees below on the 29th.

Precipitation will be light and below normal. Light snow about the 10th, 17th and 28th accompanied by high winds which may cause some drifting but no accumulation is expected.

TOTAL Degree Days of Heat Demand as of December 31, 1961 were 2697. A year ago on December 31, 1960 we had accumulated 2640 Degrees of Heat Demand therefore this winter, so far has been approximately 2% colder.
